

WS03 Development of Resources

Co-funded by the
Erasmus+ Programme
of the European Union

Development of a flexible, innovative and practical framework for Work-based Learning in higher education of Armenia and Russia / FlexWBL

Reg. Number: 610072-EPP-1-2019-1-LV-EPPKA2-CBHE-JP

An Erasmus+ Capacity Building Project (2019-2022)

External Human Resources

- Team of experts (framework, study design, etc.)
- National stakeholders & policy makers (support and commitment, etc.)

Counselling and Service Provided by the HEI

- HEI committees (support and administrate the programme, set qualifications & standards, facilitate learning)
- Advisory committee (HEI, students, employers)
- WBL-Service Centre (for all partners)
- ICT staff for Information WBL-Website (for students)
- Active support of the students by HEI in collaboration with the employers

Functions of service teams

- information
- support of participants
- administration
- programme design

Criteria for Workshop 3 – Development of Resources

Human & Structural Resources

- WP-tutor (from supervisor to responsible person for supporting individual learning path)
- HEI-teachers improve their skills in pedagogical theories and practice, especially using ICT
- Workshop for students, employers and HEI-staff
- Training courses for HEI-mentors and WP-tutors
- Team for development and change management

Use of ICT and distance learning technologies

- regular video meetings
- learning platforms
- ePortfolios
- blended learning (course & WP)
- flipped classroom
- eTools (Apps, etc.)

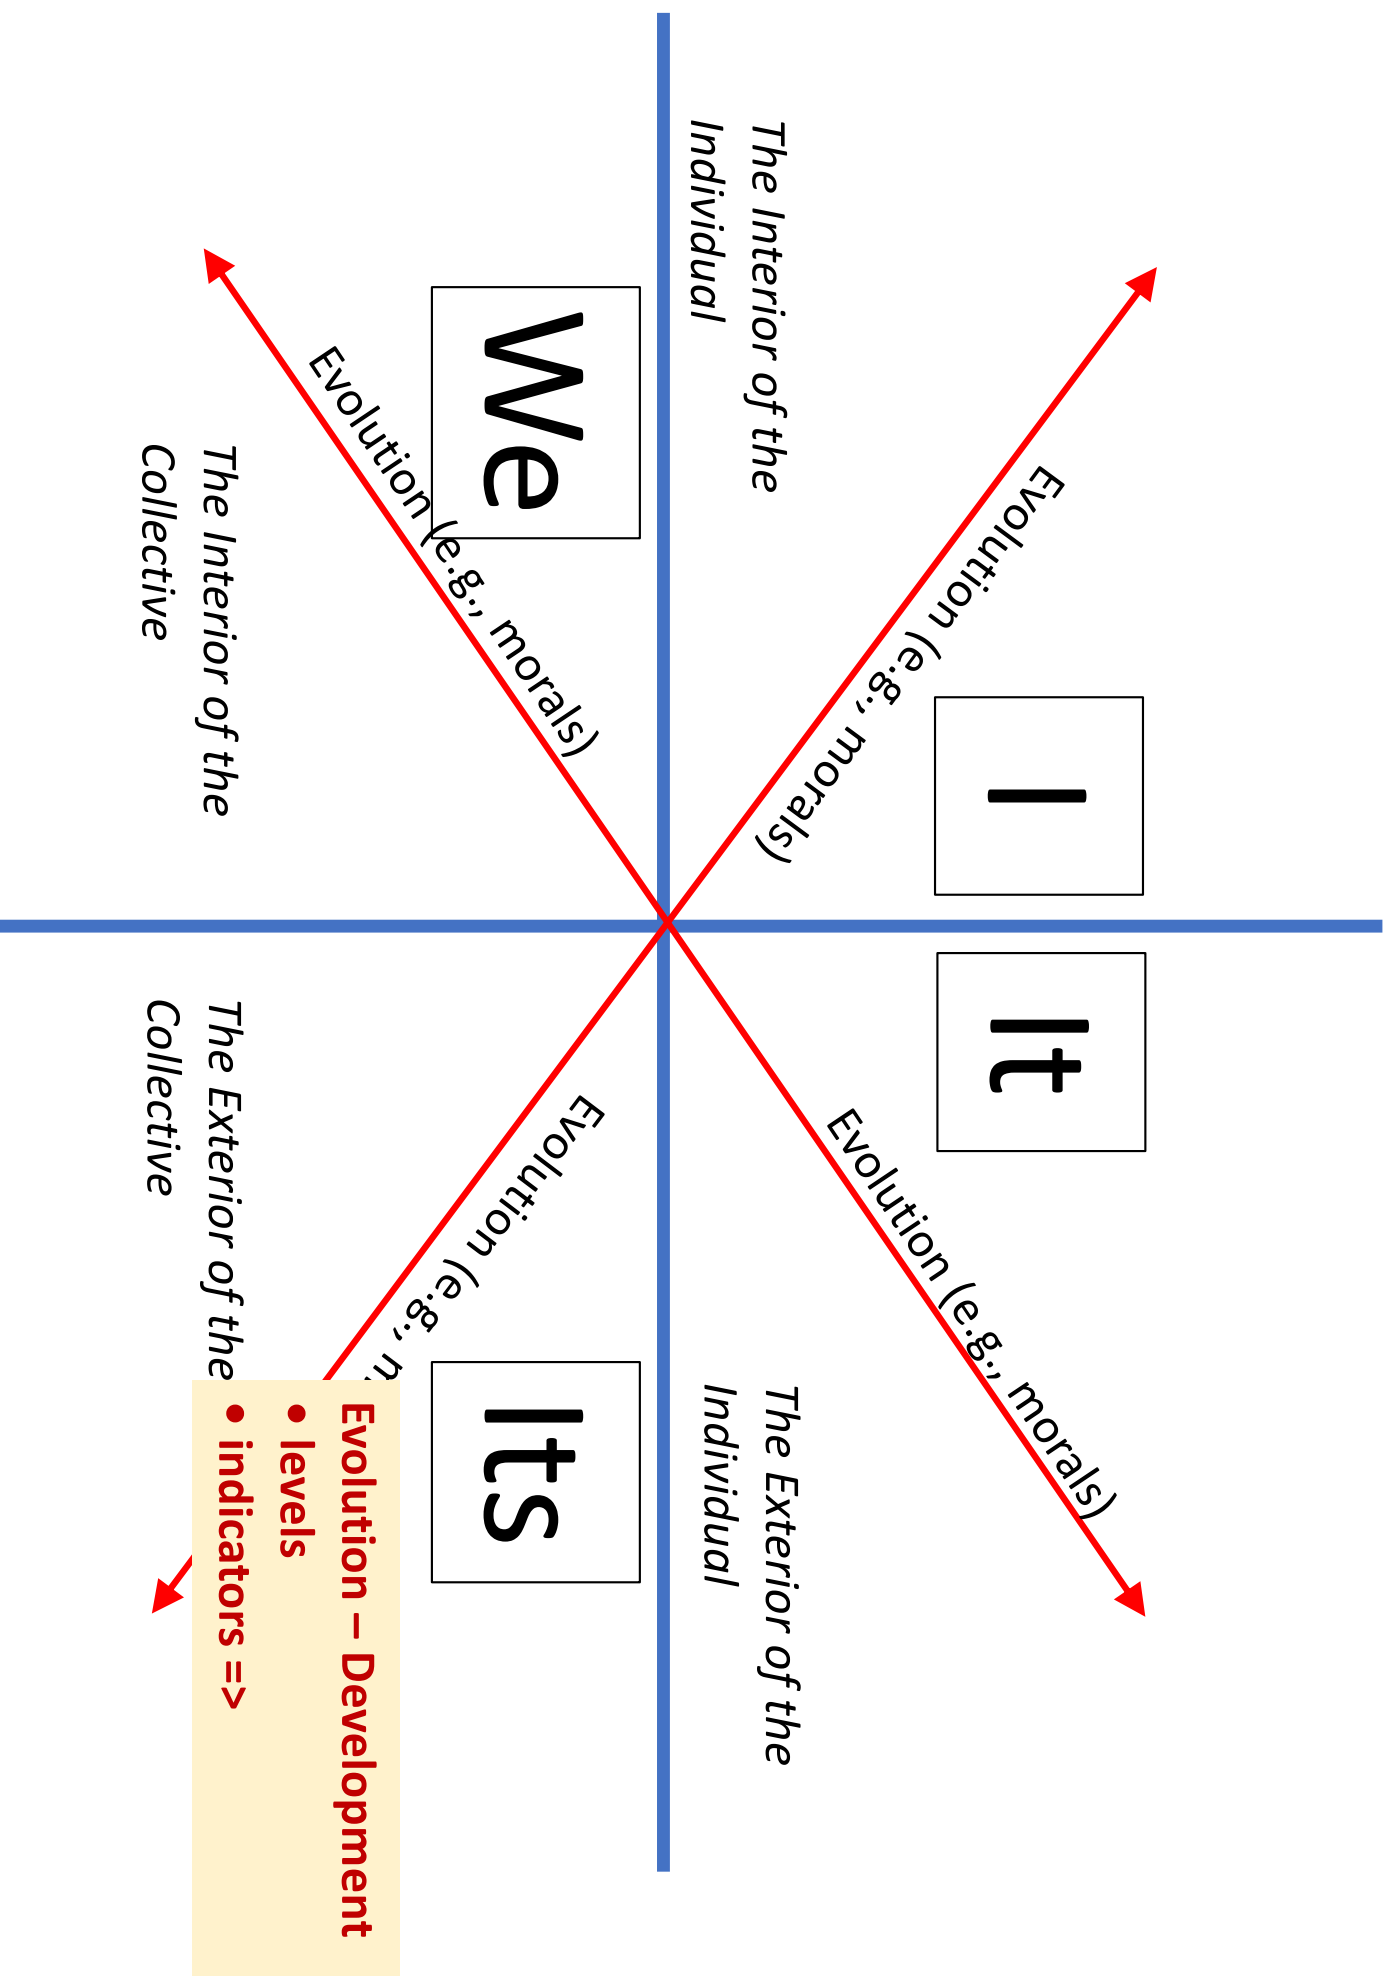

Possible development

- role of participants
(meet the principles of partnership & cooperation)
- pedagogical skills
- qualification of participants
- process & change management
- structures of collaboration (meetings, workshops, trainings, qualification courses...)
- ICT use in WBL

Structures in levels

Individual and collective development

AQAL model – Basis of the development

- internal indicators (principles, values)
- external indicators (process, structures)
- development in levels
- diagonal – individual & collective development of proficiency)

Principles of partnership & cooperation

- Negotiations & agreements
- Responsibility & expectations
- Inclusive approach & safety
- Structured opportunities
- Self determination
- Training & support

Criteria for Workshop 3 – Development of Resources

FlexWBL Development of Resources

Planning

- WBL Advisory Committee
- meeting workshops (project plans, agreements, etc. = foundation toolkit)
- WBL-accompanying courses
- change management (improving/changing of courses)

Implementing

- WBL-curriculum (prior learning assessment/recognition)
- service support department (support for students, tutors, administration)
- WBL-university courses & programmes
- change management committee

Performing

- regular meetings
- provide information package on WP (safety, guidelines etc.)
- communication & contact
- high level of guidance/support (frequent progress checks)
- support of peergroup
- feedback on/during work

- **FlexWBL**
- **Process-continuing-circle-system**
- **development in all 4 phases**

- reflecting&analysing process with focus on support, implementation, performing in HEI and WP
- feedback (WP-team = students, WP&HEI-supporters)
- define subjective relevant conditions, processes etc. to reflect on

- feedback of reflecting process (intermediate toolkit)
- qualification trainings for WP-tutors and HEI-supervisors
- meeting workshops (joint planings)
- effective use of ICT (blended learning, etc.)
- meet for joint planings (WP-tutors, HEI-supervisors and – instructors, students)

- qualification trainings for WP-tutors and HEI-supervisors (focus: from supervisor to facilitator of learning)
- adopted learning courses (integrated model)
- provide a variety of approaches to WBL
- self-assessment guidelines

- WP-challenges for WP-teams (problems, success & mistakes)
- independent work of students (focus: responsibility) = self directing learning
- integrate theory in problem solving, process improvement, etc. = experimental learning

- reflect on curriculum, assessment and recognition
- complete WBL Activity Evaluation
- reflect on WBL project if it fulfils the measurement criteria of validity and reliability
- identify, utilise and measure the performative value of knowledge

- (advanced toolkit)
- inquiry learning
- self determination of students
- personalization
- team processes

- coaches/teams for inquiry learning and self determination
- structures for inquiry learning

- independent work of students (focus: self determination) = inquiry learning
- control/design team processes
- entrepreneurship/leadership

- develop a improver
- modify in
- lay down projects in writing

corresponding to guiding principles of partnership & cooperation

Negotiations & agreements
Responsibility & expectations
